

TOWER 5 CONNECT

5000 lumen floodlight with integrated tripod for 18V battery packs

TOWER 5 CONNECT is a tripod with two built-in floodlights providing up to 5000 lumen.

Featuring 360° flexible and turnable floodlights, the lights can be positioned in many different positions to obtain the desired lighting angle, providing perfect lighting condition for painting and installation work. It is extendable up to 2 meters and features 2 level light output (50-100%) which makes it possible to adjust the light according to the work task.

TOWER 5 CONNECT is compatible with METABO/CAS battery system 18V 5.2 Ah and all other 18V battery packs from leading power tool brands by using the SCANGRIP CONNECTOR. In addition, the POWER SUPPLY can be used for direct power providing unlimited availability to light.

It comes with an integrated carrying handle and is very lightweight, only 5.2 kg. Featuring a quick-fold system, TOWER 5 CONNECT is compact and easy to carry around when folded.

Use POWER SUPPLY for direct power

BATTERY, CHARGER, CONNECTORS AND POWER SUPPLY ARE SOLD SEPARATELY
